

Used Cars Sales Manager Devonport

Motors is Tasmania's largest multi-franchise motor vehicle dealer, operating in all major regional areas within the state.

Motors Devonport is seeking to employ a capable and motivated individual to manage our Devonport based Used Car Sales Department and contribute to the overall success of the business. The Sales Manager will be responsible for the generation of sales volume and profitability through ensuring quality customer service, marketing programmes and effective operation of the Used Car Sales and Finance and Insurance departments. They will also be responsible for sourcing and purchasing vehicles and managing the departments stock holding.

To be successful in this role candidates must be able to demonstrate sound management experience and/or a successful track record in a retail sales environment. They must also be sales/target driven and be a leader and motivator of people, with strong communication and interpersonal skills.

Ideally they will have a working knowledge of the Used Car market and be experienced and skilled in valuation and appraisal.

This is an outstanding opportunity that now presents itself to individuals seeking a challenging and rewarding role within a dynamic organisation.

If your profile meets our requirements please forward a written application (ref D/UC Sales Manager) to careers@motors.com.au.
